## TO WHOM IT MAY CONCERN

Recently, Richmond Race Club employed Megan Morgan from Amazing Business Plans to prepare a submission on our behalf regarding proposed changes to our racing dates.

The submission prepared by Megan was certainly “amazing” and we have no doubt that our success in having the initial proposal overturned and a very successful result being obtained is due to the expertise of Amazing Business Plans.

Megan was so pleasant to work with, was always available for consultation and became fully conversant with our situation and problems in a very short time. She liaised with the Club to provide an outstanding submission in a very short time as we were only given a fortnight to prepare our representation to Greyhound Racing NSW.

Richmond Race Club would have no hesitation in employing Amazing Business Plans for any future submissions or business plans required to be completed.

Richmond Race Club highly recommends Amazing Business Plans and Megan Morgan to any Company or Individual who require an outstanding Business Plan at a very reasonable price.
